

Behaviour Policy

Upper School

Clifton College is dedicated to ensuring that our school environment supports learning and the wellbeing of pupils and staff through a strong sense of community cohesion. Cooperation, support, and respect are the foundations of our community and we work hard to provide a safe school where pupils feel included in every aspect of school life and comfortable to voice their opinions.

This policy outlines what we expect from all our pupils in terms of their behaviour. It extends to all members of our school community and is written in line with the College's 'Vision and Values'. Good behaviour and self-discipline have strong links to effective learning, and are vital for pupils to carry with them both during and after their school years.

1 AIMS

Clifton College believes that all pupils should be aware of the standards of behaviour that are expected of them and take responsibility for promoting these standards. Courtesy, good manners and high standards of behaviour are expected of Cliftonians at all times. We hope that by encouraging positive behaviour we can promote good relationships throughout the school built on trust and understanding, and that through the use of this policy we can support all of our pupils in developing a high level of social awareness. Our aim is to ensure that all our pupils leave the school with the key skills they need to continue to progress to the best of their ability in all areas of life. The purpose of the rules is to enable the school to function to the best advantage of all its members and neighbouring community. The aim is to promote a happy, safe and enjoyable environment for everyone.

2 THE COLLEGE'S CORE VALUES AND THE PUPILS' CODE OF CONDUCT

It is all pupils' duty to abide by the Core Values and Behaviours of the College and comply with the pupil's Code of Conduct and School Rules. The Code of Conduct and School Rules apply at all times during term time, both in and out of school and when pupils are on trips or visits.

2.1 College's Core Values

We have three **core values**, which underpin the College's overall culture.

Integrity - We treat each other with kindness, sincerity and respect. We are liberal and open-minded, free from prejudice and pretension. **We strive to make a positive difference in everything we do.**

Spirit - We are determined to explore and develop what excites and motivates us, to fulfil our potential and realise our dreams. **We are curious, adventurous and intellectually agile.**

Resilience - We believe everyone should be empowered and supported to take risks. We are not afraid of setbacks. We learn from our successes and challenges. **We encourage bravery and, through reflection, build inner strength.**

2.2 Pupils' Code of Conduct

- Treat others as you would like to be treated yourself.
- Demonstrate good manners and helpful and considerate behaviour at all times.
- Be conscientious in your attitude to work and school commitments, aiming to do your best at every opportunity.
- Be punctual by being accountable and responsible for your time.
- Allow others to work without disturbance.
- Care for and respect other people's welfare and property.
- Look after and respect the physical environment of the College.
- Ensure that harm does not come to yourselves or others.
- Cooperate with others in a spirit of trust, mutual support and common purpose.
- Be an ambassador for the College by giving service to Clifton and the wider Bristol Communities.
- Contribute widely to House and school activities.

Whilst the expectation is that all pupils will follow the Code of Conduct, Clifton College believes that it is important to encourage good behaviour throughout the school by celebrating and rewarding good behaviour, as detailed in the school's Rewards and Sanctions Policy.

3 STANDARDS OF BEHAVIOUR

3.1 School

The school understands that the first step to modelling good behaviour is to lead by example, which means that all staff, volunteers, and anyone else who comes to the school must act responsibly and professionally, and will never denigrate pupils or colleagues. We work hard to ensure that discipline is consistent across the school so that behaviour boundaries and sanctions are clear to all and are applied fairly, proportionately, and without discrimination, taking into account SEN needs and disabilities as well as the additional challenges that some vulnerable pupils may face. We recognise our legal duties under the Equality Act 2010 in respect of pupils with SEN and/or disabilities. Staff are trained to deal with behavioural issues as part of their continual professional development.

We work with parents to understand their children and their behaviour and believe that behaviour boundaries and sanctions, good support systems, praise, and rewards for good behaviour are an important part of building an effective learning community. The school will report behaviour, good or bad, to parents regularly. We encourage parents to

communicate with the school if they have a concern about their child's behaviour, and we will do as much as is possible to support parents, as and when they need it. We promote good behaviour within the school curriculum and reminders of school rules and expected standards of behaviour are published in the pupils' calendar.

The school will take all reasonable measures to ensure the safety and wellbeing of all pupils and staff and this includes protection from bullying. We aim to combat bullying and other harmful behaviour using, amongst others, preventative strategies through the active development of pupils' social, emotional and behavioural skills. For more information, see section 4.7 of this policy.

3.2 Pupils

Pupils are expected to follow the pupil code of conduct and to obey the school rules, listen, follow instructions by staff, and accept and learn from any sanctions that they receive.

3.3 Parents

Parents play a big part in ensuring that their children are responsible for their own behaviour and progress in school. We ask parents to work with the school in support of their child's learning, which includes informing the school of any special education needs or personal factors that may result in their child displaying unexpected behaviour. We ask that parents be prepared to attend meetings at the school with staff or the Head Master to discuss their child's behaviour.

4 THE SCHOOL RULES

When rules are broken, sanctions may be imposed by the Head Master, Deputy Heads, Housemasters/mistresses (HoM) or Teaching Staff, depending on the circumstances. Sanctions are imposed in order to protect the communal life of the College and to make it clear that certain actions are unacceptable. The school's aim is always to be clear and fair, and to explain the reasons for any punishments given so that those involved can reflect on their actions and understand what is expected. Sanctions range from Marshal's Extra Duties (MED) and detentions to gating and suspension. (Praepostors may recommend minor sanctions for pupils who contravene the rules to the Marshal or Deputy Head Pastoral.) Details of the sanctions can be found in the School's Rewards and Sanctions Policy.

In some cases members of staff will confiscate items and can search a pupil or their belongings if they suspect they are in possession of prohibited items or other items whose possession is against the school rules such as vaping paraphernalia. (For further information see the School's Policy on Searching and Confiscation.)

Rules apply in term time when at school, when travelling to or from school, during work experience, school trips, or extended school activities such as sports events, or any event where poor behaviour might jeopardise the chances of future pupils participating. Day pupils, or boarders on exeat, should expect to be treated in the same way as boarders if they are involved in the same incident. Any off-site misbehaviour could result in sanctions.

Behaviour that has a negative impact on the reputation of the College may result in sanctions. The College reserves the right to impose sanctions for poor behaviour that occurs outside of term time or the normal school day if such behaviour is likely to have a negative impact on the College or members of the College community.

For legal and safety reasons, certain activities require specific permission. In addition, some areas of the College have their own particular rules.

The school takes its anti-drugs policy very seriously and will discipline any person found to be in possession of cigarettes, e-cigarettes (vaping devices), nicotine products (snus) or other smoking materials and drugs are forbidden. Pupils may be permanently excluded if they are found to be involved in drug-related incidents. This includes supplying, possessing, or taking the following. (For further information see the College's Drugs and Substance Abuse Policy.)

Pupils are to be aware that there is a Medicines Management Policy available for them to read on the school's website or can be made available to them on request.

The College understands that substances are both harmful and addictive. In such cases where a pupil has an addiction and the College is aware of this then supportive measures will be taken to enable the pupil to overcome that addiction. In addition to a sanction it is expected that a pupil will attend health and wellbeing interventions to support them. This will take place within a confidential space at the health centre.

4.7 Bullying

Clifton College wants to make sure that all pupils feel safe at school, and accepted into our school community. Our ethos is one of inclusion and equality; bullying of any kind is regarded as a serious breach of our behaviour policy and will not be tolerated, whether it is a one-off incident or an ongoing campaign.

Bullying can be verbal or physical, by person or by electronic, online or written means and can be directed at both staff and pupils. The school practises a preventative strategy to reduce the chances of bullying, and our anti-bullying policy is instilled in our curriculum and everything we do at the school.

Online abuse and bullying that takes place out of School or during the holidays and is subsequently brought to the attention of the School may be addressed in line with School policy.

4.8 Sexual violence and sexual harassment

The College has a zero-tolerance approach to sexual violence and sexual harassment. It is never acceptable and will not be tolerated.

Sexual violence and sexual harassment exist on a continuum and may overlap, they can occur online and offline (both physical and verbal) and are never acceptable. All reports and concerns, including those outside the College or online incidents will be taken seriously by the College and those affected will be offered appropriate support. All victims will be taken seriously and will be supported and kept safe.

Sexual violence refers to sexual offences under the Sexual Offences Act 2003, specifically: rape, assault by penetration, sexual assault and causing someone to engage in sexual activity without consent. These are exceptionally serious criminal offences that will be referred to the police.

Sexual harassment refers to ‘unwanted conduct of a sexual nature’ that can occur online and offline and both inside and outside of the College.

Sexual harassment can include:

- sexual comments, such as: telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names;
- sexual “jokes” or taunting;
- physical behaviour, such as: deliberately brushing against someone, interfering with someone’s clothes (this may also constitute sexual violence) and displaying pictures, photos or drawings of a sexual nature; and
- online sexual harassment. This may be standalone, or part of a wider pattern of sexual harassment and/or sexual violence and may include:
 - sharing of nude and semi-nude images and videos; including those produced or manipulated by Artificial Intelligence
 - sharing of unwanted explicit content;

- upskirting;
- sexualised online bullying;
- unwanted sexual comments and messages, including, on social media;
- sexual exploitation; coercion and threats.

All cases of sexual harassment must be challenged. If not challenged, inappropriate behaviours can be normalised and provide an environment that may lead to sexual violence.

Upskirting typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. It is a criminal offence.

The sharing of nude and semi-nude images and videos is also known as sexting or youth produced sexual imagery. Making, possessing and distributing any imagery of someone under 18 which is indecent is illegal. This includes imagery of yourself if you are under 18.

4.9 Co-Curricular Rules

- Pupils must not engage in any activity with a significant element of danger or risk without direct supervision by a responsible adult, e.g. caving, climbing, camping, hockey, swimming etc.

Day pupils must show a letter (email) of verification to the Housemaster/mistress or Health Centre and request to be placed on the off games register.
- Pupils may not play games in the afternoon if they have missed any school period in the morning due to illness.

- For away matches, pupils wishing to travel home with their friend's parents may only do so if the member of staff leading the group and their HoM have received an email from the pupil's parent or guardian confirming the arrangement at least 24 hours prior to departure. In the absence of 24 hours' notice, an email from the pupil's parent or guardian received by the member of staff at the point of travel is acceptable. A phone call from a parent or guardian is not acceptable, as in these circumstances identity is more difficult to confirm. (Note: This procedure is not required for home matches at Beggar's Bush.)

4.10 Possessions and Lost Property

- Pupils must clean up after themselves and not drop litter, as well as respecting school property, including all Health and Safety equipment.
- Pupils' property remains their responsibility at all times and should be looked after carefully. This includes valuables (e.g. watches, calculators, laptops) but also books, files, bags, pencil cases, games kit etc.
- There may be occasions when pupils ask members of staff to look after their possessions; for example when they take a mobile phone to a sports match. Pupils are reminded that they should not take precious and expensive items to situations when they will require someone else to look after them. There is no expectation that a member of staff will look after such items if called upon to do so. If a member of staff does agree, then they will naturally do their best to look after the items, but they are unable to guarantee the safety of pupils' possessions under these circumstances.
- All items must be marked clearly with name and house.

**On weeknights, Sixth Form students must be back in time for their allocated supper time.*

- Any pupil who wishes to leave the College campus must seek permission from a member of the House staff. He/she must sign out (with time and destination) and sign in upon return.
- Day pupils who are off-campus during the specified times who are not going home must also seek permission from a member of the House staff.
- Pupils may be out longer than the time specified but must have special permission from a member of the house staff. **This is the exception, not the rule.**
- All pupils should take their mobile phone with them and a Block II pupil should be with a friend under normal circumstances.
- Normal bounds regulations apply on Saturday evenings. Year 9 and Year 10 boarders may not leave the campus after lock-up unless involved in activities supervised by adults. Older pupils may ask to go out; they must be back in their Houses by the following times unless they have specific permission in advance:

Year 11: 9.30pm

Lower Sixth: 10.30pm

Upper Sixth: 11:00pm

- On Sundays, pupils may ask for permission if they wish to leave the campus in the morning and under normal circumstances permission will be given. For pupils that remain the next call over will be at 1pm.
- No pupil will be allowed to leave the campus on Sunday evening.

4.20 Clifton Courtesy

- Pupils must be quiet in Chapel when the organ is playing before a service and throughout the service.
- Pupils must show respect for OCs who have died in conflicts around the world by removing hands from pockets when passing through Memorial Arch, and give precedence to CCF parades by avoiding the South Quad at appropriate times.
- Pupils wishing to organise or be involved in charity fundraising events must seek permission from the Head/Deputy Head Co-curriculum.
- The Deputy Head Co-curriculum must approve all school notices for display.

5 DISTANCE LEARNING

In addition to the condition laid out in the IT Acceptable Use Agreement, any pupils engaging in distance learning will comply with the following.

- Pupils must not communicate with College staff using their private email (or other) accounts.
- If pupils are not comfortable with a live 1:1 session being recorded, then they may request that it is not, and this will be granted.

- Pupils will not record, download or edit footage, take screenshots or photos, or any other method of capturing imagery or audio of their peers or teachers during an online lesson.
- Mobile phones should not be on hand unless required for the lesson.
- Pupils must not communicate with others via any means unless instructed to by their teacher.
- Video conferences must be conducted in an environment that is appropriate for learning, i.e. a quiet space with a neutral background.
- Pupils should listen and respond to instructions from their teacher concerning microphone and video use. It is usual to join a meeting with video on but with the microphone turned off.
- Pupils must dress appropriately, i.e. smart casual. Uniform is not required.
- Pupils must be on time. It is good practice to join live meetings a few minutes early, prepared with the correct link and password.

6 WHAT TO DO IF YOU ARE UNHAPPY

We believe that you will remember the school in the future as a place which was exciting, enjoyable and challenging, a place where you made friends and felt extremely happy and valued. We do our very best to make sure that you have the best possible time here.

Inevitably, there will be times when you experience difficulties or sadness. It is important that at such times, even if you think that others will find your problems trivial, you talk to somebody. Talking to a friend may not always be enough. There are plenty of other people who will always be extremely happy to listen and help. You will always be taken seriously. It is very important not to bottle things up but to talk to someone. Usually we can help and certainly you will feel better for having shared how you are feeling with someone else.

Reasons for anxiety or unhappiness at school vary greatly. Problems may be relatively straightforward - lost property, timetable difficulties etc., or more complex and perhaps more worrying - bullying, private or personal problems, concern for a friend who is in trouble.

There are a number of adults to whom you could turn to discuss any issues you might have:

- Your Housemaster/mistress
- Your Assistant Housemaster/mistress
- Your Tutor
- Your House Matron
- The College Designated Safeguarding Lead (DSL) or Deputy Designated Safeguarding Leads (DDSL). Please see posters around the school for more details.
- The Chaplain
- The Student Wellbeing Team
- The school Doctors, Senior Nurse Manager, or any of the Health Centre nurses
- The Head (see below)
- The Deputy Heads
- The Marshal

- Any member of staff whom you know and trust

Professional counsellors are available to all Clifton pupils for confidential consultation. You can contact them by email on studentwellbeing@cliftoncollege.com; you will then be given an appointment.

Should you prefer to report any concerns or problems anonymously, you can use the online anonymous reporting tool We Listen (SWGfL tool Whisper). You may prefer to talk to someone who is not connected with the College in any way. 7 WHAT TO DO IF YOU HAVE A COMPLAINT

Complaints about any aspect of school life may be made at any time to any of the members of staff listed above. However, if you wish to make a formal complaint you should follow the procedure below.

Pupils' Complaints Procedure

1. Any pupil may make a formal complaint by writing to the Head (or, if the complaint concerns the Head himself, to the Chair of Council).
2. Pupils should be reassured that they would never be penalised for raising a complaint in good faith.
3. The pupil will be spoken to confidentially within 48 hours. The situation will then be investigated.
4. The pupil will then be invited to discuss the matter and another pupil or member of staff may attend that meeting. This will happen within a week of the complaint being received.
5. If at the end of this meeting the pupil is still dissatisfied, a meeting with a member of Council can be arranged.

The procedure is intended to produce a resolution that everyone can accept.

8 EQUAL OPPORTUNITIES STATEMENT

Clifton College maintains an equal opportunities policy in all areas of school life. The aim of this policy is to ensure that no pupil receives less favourable treatment than any other on grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation. The College is committed to making this policy fully effective for all who study and work in the institution.

For clarification, the legal definition of disability expressly excludes certain conditions: A tendency to set fire, steal, physically or sexually abuse other persons, exhibitionism and voyeurism. In certain situations, where the physical abuse of others is part of a disability, for example an autistic child who lashes out at their care staff, this behaviour is not excluded and the pupil is entitled to the legal protection afforded by The Equality Act. The College is required to make reasonable adjustments to manage this behaviour and avoid putting the pupil at a substantial disadvantage, for example by making adjustments to the Behaviour Policy and to avoid the behaviour arising through de-escalation strategies, providing increased supervision and further staff training etc.

**Routine times for pupils to see the Deputy Heads:**

DAILY AT BREAK OR BY APPOINTMENT

To arrange to see the Head, please speak with the Head's PA in the East Cloisters.

In the event of an emergency, the Deputy Head (Pastoral) can be contacted on 0117 315 7180 & the Marshal on 0117 315 7181 or the emergency school contact on 0780 350 7790

Related policies: *Rewards and Sanctions, Anti-bullying, Drugs & Substance Abuse, Alcohol, Smoking, Serious Disciplinary Incidents, Searching and Confiscation, Positive Handling, Complaints Procedure, Mobile Phones, Parties.*

This policy will be reviewed annually and at other times in the intervening period as necessary.

The policy makes reference to recommendations from the DfE policy: [Behaviour in schools: advice for headteachers and schools February 2024](#)
